Your letter of 20 February with the attached draft of a proposed procedure for handling of WCC 10/5 matters in PSD has received careful consideration.

In my opinion the establishment of a special panel for this purpose under the terms laid down in the draft procedure is desirable. Col. Wilbourn Johnston is hereby designated as the CIA member of this panel with [redacted].
[redacted] acting as his alternate when necessary.

MEMORANDUM TO: General Smith

This office recommends that you approve the attached procedure paper for the handling of NSC 10/5 matters in PSB.

It is recommended that Col. Johnston be designated as the CIA representative of the panel with Mr. [redacted] as his alternate since practically all matters referred to the PSB panel will be of direct concern to the OPC office.
